America - Lonely Planet

There are few diving destinations in the world as magnetic as the Blue Hole on Belize's Lighthouse Reef. Seen from the air this deep-blue 300m-diameter watery pupil, rimmed by a shallower aquamarine iris, is the visual icon of diving in Belize. The descent into the sinkhole is relatively deep - up to 40m - and inky dark,

Belize: your guide to adventure activities - Lonely Planet

Start in Belize City but head straight to the water taxi terminal and book a ticket to laid-back Caye Caulker or more upbeat San Pedro on Ambergris Caye.

Either place makes a good base for exploring the reef. After two or three days on the cays,

The Belize guide was just updated this year, and I appreciated the current information...though it's a shame that there's not a good way for travelers like me to add information online or suggest additions for the next printing. Lonely Planet Belize is a well laid out, high quality guide that handles the rigors of travel and use.
