### Developing Curriculum Leadership and Design

Curriculum development is the essential function of school leadership. Whether this role is carried out by a principal, an assistant principal for curriculum, a team leader, a department head, or by leading classroom teachers, the curriculum defines all other roles in a school. In recent years, classroom teachers have taken on much more responsi-

### DefiningEffective Curriculum Leadership

Curriculum leadership is complicated because leading curriculum development meetings involves working with fallible, imperfect human beings. A second reason curriculum leadership is difficult is due to the school schedule and a lack of extended time for teachers to discuss and revise existing curriculum documents.
