Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Healing Montana Sky The Montana

Healing Montana Sky is one that starts off with you caught into it right away with a tragic ending to a husband in the mountains outside of Sweetwater Springs. In her grief she has to bury her husband by herself without a coffin and she has a hard time doing so as she found him dead from a grizzly.

Healing Montana Sky - Kindle edition by Holland, Debra ...

HEALING MONTANA SKY by Debra Holland is a realistic, emotionally intense installment in her Montana Sky series. It's always a treat to revisit Sweetwater Springs, Montana and the interesting array of characters who populate the area, many of whom I've become quite attached to, thanks to the previous books.
