The Librarian's Manual is a text for beginning librarians, especially those with little or no training. The goal of this manual is to teach a high standard of library practice, yet be useable by people who know little about libraries, worked in less than ideal situations, and may or may not have a fluent knowledge of English.

item which is not a book is imported via ISBN into Goodreads, it does no good to delete it: the item will only be re-imported as long as it remains on the feeder site.

Librarian Manual: NOT A BOOK ("NABbing" a book)

The purpose of this manual is to provide information and resources that will make your work as a
