The Professional Diploma in Tropical Nursing (PDTN) has proven an outstanding success in preparing nurses to work in low-income settings and make significant contributions to world health.

### Professional Diploma in Tropical Nursing | LSHTM

According to an article by Michael Henning titled "Nursing's Role in Nutrition," "The healing of the body can take place only when the nutrients that provide the building blocks for repair are present." Due to the lack of trained nutritionists, the responsibility of educating patients on healthy eating habits often falls to attending nurses.
