About Us

The Little Big Horn Associates, Inc. is a not-for-profit corporation organized exclusively for educational and charitable purposes. Our mission is to promote exchange of knowledge on the life and times of George Armstrong Custer and the Battle of the Little Big Horn. We also welcome members with all viewpoints on the Civil War and the settlement of the Great American West.

The Associates is governed by an elected board of seven members, and its administration and publication functions are performed by qualified members without compensation. All expenses are paid from dues, donations, and special projects. All dues from Garryowen and Trooper memberships are used to support the organization in its study and reporting of historical facts.
