Steam Powered Lesbian Steampunk Stories

Steam Powered: Lesbian Steampunk Stories, an anthology edited by JoSelle Vanderhooff and published by Top Shelf, an imprint of Torquere Press Publishers. This anthology consists of fifteen stories mixing lesbians and steampunk in various concentrations.

Steam-Powered: Lesbian Steampunk Stories by JoSelle ...

An interesting anthology, if a little uneven. Some stories are five stars worth, others one or two. Some the effects of a changing steampunk society on lesbian relationship were explored, others the lesbian relationship seemed tokenistic, a chance to get a story in a more unusual book.

But there's a whole wide world out there – and Steam-Powered: Lesbian Steampunk Stories does a damn fine job of exploring it. Not only is this anthology delightful in that its characters - its adventurers and inventors, its rulers and airship pirates, its heroes - are queer women doing things on their own terms, but also in that they are multicultural, from all over the world, or from alternate worlds that are more than just magical versions of Europe.

The two western-styled steampunk stories were my absolute favorite. Short story authors -from my generalized experiences-are not afraid to push through reader's comfort zones. As a result, a few darker endings of stories I wish I had not read and could forget. However, Mech and Cyborg lady Gunslingers of the Wild West made me happy about my purchase.
