Music : Film term paper  
: Inherent inside every human soul is a savage evil side that remains repressed by society. Often this evil side breaks out during times of isolation from our culture, and whenever one culture confronts another. History is loaded with examples of atrocities that have occurred when one culture comes into contact with another.

Music Appreciation

Imagine a world without music: a world where people fail to understand what music is and why people sing. Picture yourself in such a world but with a taste of music or with a little knowledge and interest in music. Such a world is quite boring, and life seems less sentimental. The truth is, many people would not find
