A captivating story of contest, failure, and success, The Age of Atheists sweeps up William James and the pragmatists; Sigmund Freud and psychoanalysis; Pablo Picasso, James Joyce, and Albert Camus; the poets of World War One and the novelists of World War Two; scientists, from Albert Einstein to Stephen Hawking; and the rise of the new Atheists—Dawkins, Harris, and Hitchens. This is a story of courage, of the thousands of individuals who, sometimes at great risk, devoted tremendous ...

The Age of Atheists: How We Have Sought to Live Since the ...

Peter Watson's THE AGE OF ATHEISTS: HOW WE HAVE SOUGHT TO LIVE SINCE THE DEATH OF GOD isn't an argument for or against the existence of God (though the author's belief occasionally creeps in), but a comprehensive history of the cultural and philosophical secularization of western society.

The Age of Atheists: How We Have Sought to Live Since the ...

The Age of Atheists. Posted on May 14, 2020 by Roof Beam Reader. 1 Comment. Peter Watson's The Age of Atheists: How We Have Sought to Live Since the Death of God is a book that I had long wanted to read and one that took me about as long to actually read it, after finally getting my hands on it! The time was well-spent, however, because this is one of the best books on religion or non-religion that I have read.

The Age of Atheists - Roof Beam Reader

"The Age of Atheists" is, in effect, an account of 20th-century philosophical and moral thought, focused, as its subtitle explains, on "how we have sought to live since the death of God." Bear that...

The Age of Atheists : NPR

Given this contradiction, Peter Watson's The Age of Atheists: How We Have Sought to Live Since the Death of God provides a welcome opportunity for understanding atheism as a way of life—even as a religion. Watson, a British historian of ideas, begins his historical account with Friedrich Nietzsche's 1883 pronouncement that "God is dead."

The Age of Atheists | Books and Culture

The actual term atheism emerged first in the 16th century. With the spread of freethought, skeptical inquiry, and subsequent increase in criticism of religion, application of the term narrowed in scope. The first individuals to identify themselves using the word atheist lived in the 18th century during the Age of Enlightenment.
