reviews. Learn how the big bang may have been spawned by a collision between 'island universes'; how a single remarkable number contains the answer to every question we could ever ask; how the most widely accepted theory of the universe's origin suggests that Elvis never died; and how a computer program a mere four lines long

Maximilian Hecker - Never-Ending Days Lyrics | Genius Lyrics

The day feels both like
it's supposed to call for
an intricate game plan
(Watch Game A until X
happens, Watch Game
B until Y, etc.) and like
it can't possibly live up
to expectations (not all

The story behind Never
Ending Summer is a
girl who 's longing
back to the good old
days in the 80s.

Holding on to the
fading memories about
her youth, adventures,
never ending love,
endless summer, sun
soaked streets and
best days of her life.
